*Re: District 6 Health Plan v. E-C Management Services, Inc.
Index No. 08-CV-4069*

Dear Judge Berman:

We are local counsel for the Defendant E-C Management Services, Inc., in the above-referenced action.

We write on consent of counsel for the Plaintiff to request an adjournment of the initial conference that is presently scheduled before Your Honor on June 11, 2008. This request is prompted by the fact that we have just recently learned that Plaintiff has apparently served the incorrect entity and, as a result, they are re-initiating service of process. Additionally, the parties are engaged in settlement discussions pending the service of the complaint on the appropriate party.

The parties are available on July 1, 2, 8, or 10 for a rescheduled conference if any of those dates work for the Court.

Thank you for your consideration of this request.

Very truly yours,

CULLEN AND DYKMAN LLP
